

2010 Match Play Tournament

For NIMAGA Members

General Information

- Open to NIMAGA members with at least one full year active status.
- Season long single elimination match play tournament in which opponents will mutually arrange the course and time within each month to play their match, with the winner advancing to the next round. The date for the final match at **Cog Hill #4-Dubsdread** will also be mutually decided on by the **final four** as close to the BMW Championship as possible. The two semi-final winners from each division will play for their respective division Championship and runner-up. Golf and cart will be provided **gratis** for this day.
- Your Certified Golf Handicap on the day each match is played will be used. The higher handicap will receive the differential on the lowest handicap holes. Instructions on how to attain your handicap relevant to the course selected will be provided in a future mailing, along with how the winner in “All Square” matches after 18 holes will be determined. The same minimum rounds NIMAGA requires must be met each month.
- A field of 48 to 64 would allow for five rounds in two divisions (high and low) commencing in May. A field of over 64 would require an additional “play-in” round in April. Any first round byes and all “play-in” round participants will be determined by the date that your registration form and entry fee are received. Should there be an opening for any reason prior to the second full round of play, re-entry after a loss (with an additional \$40 fee) will also be based on the date of entry. We will do everything possible to avoid first round and “play-in” round byes. Entry fees are non-refundable unless someone determined by the tournament committee is available to replace you.
- **New this year!** Based on previous participants’ feedback, bracket pairings will be a little more spread out than the previous two years to hopefully create matchups with different opponents you might not have played against before. Each division will be divided by North and South only this year, instead of four quadrants as done in the past. This will most likely increase the driving time slightly, but will also bring more courses into play throughout all rounds prior to the final round at Dubsdread.
- A one-time **\$40** entry fee will provide the following minimum incentives for a field of 64:
 - * **\$40** NIMAGA Certificate to all 2nd round winners (not including “play-in” round).
 - * Additional **\$60** NIMAGA Certificate to all quarter-final winners.
 - * Additional **\$100** NIMAGA Certificates to all semi-final winners.
 - * **Gratis** Golf and Cart at **Cog Hill #4-Dubsdread** for the **final four**.
 - * Additional **\$125** NIMAGA Certificate & Plaque to the Match Play Champion(s).

Note: NIMAGA Certificate values will be reduced with a field less than 64.
